The **keep.meSAFE** Program provides support to international students. The program includes two components: direct support for students and consultative support for faculty and staff who work with them.

SUPPORT FOR STUDENTS

The **keep.meSAFE** Program provides confidential support to students at no cost to them:

- 24/7 access to support from counsellors who speak their language, understand their culture, and the unique challenges they face
- Access to articles, tools, resources, and a **keep.meSAFE** counsellor through the telephone, chat, and **My SSP** app

-  Procrastination and building time management skills
-  Concern about post-graduation plans
-  Anxiety about a public speaking assignment
-  Loneliness or homesickness
-  Nutrition concerns
-  Suicidal ideation
-  Worries about upcoming exams or disappointment with academic performance
