As a graduate of the BBA Entrepreneurial Leadership Program I am fascinated by leadership and understanding how leaders at all different levels support the people around them. Serving commercial customers as an Energy Solutions Manager with FortisBC I attribute much of my success today to the time spent at Kwantlen and as a volunteer for the Student Leadership Conferences, Career Days and Student Orientation. Currently serving as an Alumni Ambassador and recently co-founding the KPU Alumni Business Chapter, I am excited to engage with alumni members further and support my local community.
