

ARE YOU READY TO PUT YOUR LANDSCAPE DESIGN SKILLS TO USE?

THE OPPORTUNITY

KPU donor and industry expert Coastal Grounds Maintenance Ltd. is offering KPU's very own Landscape Horticulture Systems students an opportunity of a lifetime.

Consult with Mark Handfield of Coastal Grounds Maintenance Ltd. on full landscape design in BC's lower mainland.

- Site work and design with an approx. time guideline of 2 and 10 hours respectively
- Mentorship and hands-on experience with an industry professional
- Open to graduates & graduating students of KPU's Landscape Horticulture Systems program
- Best KPU student design will be awarded a \$800.00 direct award from Coastal Grounds Maintenance Ltd. facilitated through KPU Foundation
- First and second runners-up will receive letters of reference by Mark Handfield

Opportunity may lead to job placement opportunity at Coastal Grounds Maintenance Ltd.

SIGN UP TODAY

The call for participants is open from April 17, 2015- April 23, 2015.

To apply, submit a small biography to m_handfield@coastalgrounds.ca by the deadline.

The project will commence shortly after the deadline.
