🍁 Happy Canada Day 2024! We hope you're enjoying the beautiful summer in B.C. and your time here at KPU. Canada is a land of diverse cultures and vibrant communities, and we encourage you to explore all it has to offer. As you work hard to achieve excellent academic results, remember to maintain a healthy study-life balance. Take time from your busy schedule to immerse yourself in the vibrant extracurricular life. Whether it's joining a club, attending local festivals, or exploring the natural beauty of B.C., there are countless ways to enrich your experience.

In this edition of our newsletter, you'll find valuable information on academics and daily life to enhance your experience at KPU.

Registration for Fall 2024!

The registration portal for the **Fall 2024** semester opened on **July 8, 2024**. However, registration start date will vary depending on your program, number of credits completed, and your Academic Standing. Check out your assigned registration date and time on [KPU Registration Portal](#).

Before deciding on the courses to take in the upcoming semester, students are strongly encouraged to meet with an [International Student Advisor](#) for course planning. You may either book an appointment or join a drop-in session now!

Fall 2024 Online Live Registration Webinar!

If you are a newly admitted KPU student, be sure to join the **Registration Webinar on July 5 from 9-10:30am PST**, where our experienced International Student Advisors will demonstrate the course registration process in detail. For those who cannot make it to the webinar, a recording will be available on our [YouTube channel @KPUInternational](#).

For more details on how to navigate the registration portal, important dates and deadlines, dropping and withdrawal policies and other important items, check out the [KPU Registration Guide](#).

Extended Online/In-person Drop-In Sessions

We have your back! KPU International Advising Unit will provide **extended services** for both virtual and in-person drop-ins **between July 8 and 19**. Simply drop by during one of the sessions and get answers to your questions by speaking to an [International Student Advisor](#).

Here is an example of course planning support: If you are a Science and Horticulture student seeking advice on how to meet Math pre-requisite requirements for some of your first-year science courses, an advisor can guide you through steps like taking the Math Placement Test (MPT) or enrolling in Math qualifying courses.

Student Food Security: Support & Resources

Ensuring food security is essential for students' overall well-being, contributing to better mental health by reducing stress, anxiety, and depression. When students have reliable access to nutritious food, they experience improved concentration, higher productivity, and greater academic success, leading to lower withdrawal rates from classes and institutions.

Check out our latest online resource, [KPU Food Security and Nutrition](#), showcasing KPU's efforts to improve students' food security. Find out **the on/off-campus supports** available to those in need.

Health & Wellness for Students

Explore additional resources at KPU related to [Student Health Promotion](#) and [the Health and Wellness](#) website.

KPU aims to enhance your overall wellness—emotional, mental, financial, physical, social, and spiritual—through engagement and community support, taking a proactive approach by addressing individual behaviors and identifying and removing systemic and environmental barriers that hinder student health and wellbeing.

KPU Int: GO Karting on Jul 26!

Do not miss out on this opportunity to challenge your friends and fellow students to [a friendly karting race!](#) **Ticket sales start on Monday, July 8 at 12pm.** Mark your calendar and act fast!

Check out the [event calendar](#) for more interesting events and workshops this summer.
