

Basic Student Supports

Health and Wellness

Health and wellness is an integral part of succeeding in university. KPU provides all students with access to a wealth of resources and information spanning six dimensions of wellness, including emotional, financial, mental, physical, social, and spiritual: kpu.ca/thrive

Financial Hardship

Emergency bursaries are available to any student experiencing an unexpected financial hardship. These bursaries provide a limited amount of financial assistance to students based on assessed financial need and do not need to be repaid: kpu.ca/awards/emergency-assistance

International students may also be eligible for limited financial assistance from the KPU International Emergency Fund. Contact internationalstudents@kpu.ca

Counselling Services

KPU Counselling Services provides individualized and confidential counselling support to students on a wide range of challenges, such as adjusting to university life, stress management, grief, anxiety, relationships, family, and any other mental health challenges: kpu.ca/counselling

Accessibility

If students are experiencing challenges related to health (mental or physical) or they have learning disabilities that are impacting their studies, KPU Accessibility Services will work with students to confidentially develop a personalized plan to ensure access to the university and to support them in achieving their academic goals: kpu.ca/access

Food Insecurity

Any student having difficulty affording groceries or accessing sufficient food to eat every day can access the Kwantlen Student Association's Student Food Bank service. Students can confidentially order a food hamper online or make emergency food requests. kusa.ca/ksa-food-bank

Students are also encouraged to contact Student Awards and Financial Assistance by emailing awards@kpu.ca or online at kpu.ca/awards
