Safety Plan for Employees and students:

- Employees and students will be following the physical distancing guidelines.
- Directional arrows and stanchions are in place to clearly designate pedestrian traffic flow.
- The room occupancy has been setup to allow for proper physical distancing guidelines.
- If anyone is feeling unwell they are to stay home and monitor their symptoms and seek a medical professional if necessary.
- All students / employees are asked to ensure their hands have been disinfected or washed before entering the room.
- Students have access to disinfectant spray should they want to disinfect their own stations, tools, and or desks outside of the regular cleaning operations.
- All students and employees will follow the latest COVID precautions, guidance, expectations, and restrictions as set out by KPU, WorkSafeBC, and BC's Chief Public Health Officer. Students and employees must wear a cloth medical or cloth non-medical mask in indoor common spaces on all KPU campuses. This includes but not limited to: classrooms, hallways, corridors, washrooms, lounges, elevators, atria and study areas, the Libraries, and the Bookstore. When you are outdoors on campus, please wear a mask unless you can guarantee that you can stay at least 2m/6ft away from others at all times.

Description

Industry Training Authority (ITA) has determined the following time allocations: approximately 77% of practical (at KPU this amounts to 516 hours) and approximately 23% of theory (at KPU this amounts to 156 hours).

At KPU, the theory is integrated with the practical / shop time. Students meet in the classroom for about an hour once or twice a week to cover the theory and then go into the welding shop. It's not feasible for the instructor to segregate the theory hours and deliver these hours on-line.
